

## **At the Eurasian national university of L.N. Gumilev took place "Job fair-2017" a forum of employers "Way to Success!"**

At ENU of L.N. Gumilev on April 26, 2017 at the university there took place traditional "The job fair - 2017" with participation of 150 companies. The festive event took place with participation of a management of higher education institution, deans of faculties and employers. This fair is annually held for assistance to employment of graduates in the organizations and the enterprises. To students made a welcoming speech the vice rector for study of ENU of L.N. Gumilev Asemgul Moldazhanova.

In 2017 at department in the specialty 5v073200-Standardization, certification and metrology finish 62 students. In the specialty 6m075000-Metrologiya on degree of the master of technical science 3 undergraduates and in the specialty 6M073200 – Standardization and certification on degree of the master of technical science of 8 undergraduates finish.

The Standardization and Certification department invited to a job fair the following enterprises: RGP "Kazakhstan Institute of Metrology" (Kazinmetr) of KTRM MIR RK, RGP "Kazgidromet", Astanakurylysservice LLP. All enterprises at a job fair offered the vacancies, selected the curriculum vitae of students and undergraduates and conducted with them interviews.

Holding similar actions promotes close cooperation with employers, promotes employment of university graduates.
