

**Zhalgasbekov Abzal Zarubayevich**  
professor

**Contact information:**

Abzal579@gmail.com

Tel: +7 777 4875207

**Professional practice:**

**Total work experience: 30 years.**

**Production experience: -**

- 2012 - present - Eurasian national University. L. Gumileva M. P. - Senior lecturer of the Department of transport, transport and technological disciplines.  
- In 2013-2014 - Kazakh agrotechnical University. S. Seifullin. - Associate Professor of "Technological machines and equipment".  
- 1993-2012 - Zhezkazgan mining and Kentau mining and Technological Institute-Zhezkazgan University. Said p. A. – associate Professor, head. Department of mining machines and equipment.  
- 1990-1993 - Moscow state mining University-post-graduate student, Department of mining mechanics and transport.

**Academic degree, title, scientific school:**

Candidate of technical Sciences.

**Specialty:** 1705-automobile and automobile economy.

**Scientific interest:**

Reducing the toxicity of exhaust gases of internal combustion engines, mining transport.

**Courses taught:**

Power plants of transport equipment(B);

Methods of testing cars(B).

Computer-aided design and robotics(B))

Methods of use of land vehicles(M))

**Authors course: -**

**Publications:**

1. Increase of overall performance of catalytic converters // European Science and Technology [Text]: materials of the 7 International research and practice conference, Vol. 2, Munich, April 23-th – 24-th, 2014 / publishing office VtlaVerlagWaldkraiburg – Munich – Germany, 2014 – 624 p.
2. Liquid-based purification of exhaust gas of diesel // European Applied Sciences: modern approaches in scientific researches/ Conference papers. Stuttgart, Germany. 2014, 75-80 p.
3. Analysis of research in the field of improving the system of maintenance and repair of traction rolling stock // IV international scientific and practical conference dedicated to the 20th anniversary of the Eurasian national University. Gumilyova - Astana, 2016, p. 42-46
4. Functional diagnostics of diesel engines of mobile equipment // IV international scientific and practical conference dedicated to the 20th anniversary of the Eurasian national University. Gumilyova - Astana, 2016, pp. 197-202
5. Design improvements to the structure of the water filter type W // Bulletin penetration: Scientific. log / penetration. - Astana: ENU Publishing house, 2016. - № 6, part 2-p. 301-306
6. Non-destructive testing of technical condition of transport equipment // Materials of the 12th international scientific and practical conference "Modern industry of the European continent", Prague, 2017, p.
