

 <p>Umirzhan Kokayev Sheralievich Associate Professor, acting Contact information: kush_kush78t@mail.ru Mobile: +7 (707) 550-61-78</p>	<p>Academic degree, title, scientific school: Candidate of technical Sciences. Specialty: 25.00.36-Geoecology</p> <p>Research interests: transport and ecology</p> <p>Courses taught: 1. General provisions Construction of vehicles (B)) 2. General course of transport (B)) 3. Technological design of transport enterprises (B)) 4. Vehicle test methods (M))</p> <p>Authors course: -</p> <p>Publications: 1. General provisions transport Services in Astana market dynamics of the fleet of cars, and stations analysis. // XI international conference collection of scientific articles, // Council of young scientists, Almaty 2017 Part 2, p. 135-138; 2. Avtoservisne of the enterprises of formation of problems of formation of scientific research // XI conference of the international collection of scientific articles, the Council of young scientists // Almaty 2015 Part 2, 133-135.; 3. Results of definition of the simplified mode of maintenance of transport equipment // actual problems of transport and power: in-the international scientific and practical conference on a subject of innovative ways of their decision // L. M. P. Eurasian national University. L. N. Gumileva, Astana 2017.; 4. Determining the speed of vehicles at the time of coordination on indirect data // actual problems of transport and energy: in-international scientific and practical conference on innovative ways to solve them // L. M. P. Eurasian national University. L. N. Gumileva, Astana 2017.; 5. Informing the National Academy of Sciences of the Republic of Kazakhstan, series of agricultural Sciences 1 (37) January-February 2017 142-148 p.; 6. Modeling of technological process of maintenance of vehicles / / journal of KazNAU "the results of the study" Study No. 1, the result 2017, the scientific journal, quarterly issue 256-262 sheets; 7. Characteristics of the processes of hydration and hardening of non-combustible alkali-activated cements based on metallurgical slag // journal of materials science and materials science, manuscript SCHOLARONE, 2017; 8. International conference" industrial technologies and engineering " ICITE-2016 October 28-29, 2016 South Kazakhstan state University.M. Auezov, Shymkent, Kazakhstan Page. 107-109; 9. Optimization of technological processes of repair of cars on the basis of research on computer // proceedings of the XII international scientific and practical conference" Science and civilization-2016 " January 30-February 07, 2016 Volume 18 technical Sciences Science and education LLC 2016, p. 44-49.</p>
<p>Professional practice: Total work experience: 17 years. Production experience: - - From 2015 to the present time L. M. P. I. O. associate Professor of Eurasian national University. L. N. Gumilev; - M 2008-2015.H. Taraz state University named after Dulati of natural Sciences; - 2007-2008-Executive Secretary, assistant to the first Vice-rector of Zhambyl humanitarian and technical University; - 2000-2007 teacher, senior lecturer, Executive Secretary of the agrotechnical Institute; Rewards: - L. M. P. letter of Thanks and diploma of the rector of ENU. L. N. Gumilev; - Diploma and prize of akim of Zhambyl region; - M. H. letter of Thanks and diploma of the rector of tarsu. M. H. Dulati.</p>
