

FAIR OF VACANCIES - 2018: OPPORTUNITIES FOR FUTURE SPECIALISTS IN THE SPHERE OF TECHNICAL REGULATION AND METROLOGY

Human capital plays a crucial role in the economy of any country. It is not enough to have modern equipment, comfortable office furniture, comfortable buildings. If there are no competent and highly qualified specialists with the necessary competencies, then there can be no question of any effectiveness or efficiency of enterprises and companies.

A job fair for university graduates holds traditionally in the spring in ENU. The purpose of the fair is to promote the employment of graduates. Such an event gives an opportunity to learn more about the university, allows for a short time to get acquainted with a large number of graduates.

Representatives of RSE "KazInMetr" MID RK TRMC, RSE "KazInSt" KTRM WORLD RK, RSE "KAZHYDROMET", LLP "Kazakhstan Paramount Engineering", LLP "Center for Scientific and Technical Development of Housing and Communal Services of Kazakhstan", universities and colleges in Astana and others were present at the job fair from the department "Standardization and Certification".

More than 50 fourth-year students of specialty 05B073200 "Standardization, Metrology and Certification" presented their CV.

Representatives of enterprises and institutions acquainted those present with up-to-date information on vacancies, interviewed graduates of the department.
