

Karshalova Danna Gosmanovna

**Master of Engineering Science,
Senior Lecturer of the Department of
Standardization, Certification and Metrology
L.N. Gumilyov Eurasian National University**

Contact details:

Email: danna-2n@yandex.ru

Tel.: 87077744989

Work phone.: 8(7172)709500 (33117)

Awards (membership in academies, trade unions, etc.), incentives, certificates:

- Member of the Commission for Supervision of the Quality and Cost of Food in University Canteens (L.N. Gumilyov ENU);

- certificate of participation in the seminar «Жаңа реформалар аясында тьютор-кураторлар жұмысын жетілдіру мәселелері» (L.N. Gumilyov ENU, 2016 y.);

- certificate of participation in the training seminar «Training and advanced training of personnel in the field of technical regulation, metrology and management systems "(RSE" KazInSt ", 2015);

- certificate for participation in the organization of the conference at: «Standards are the language spoken by the whole world», dedicated to World Standardization Day (L.N. Gumilyov ENU, 2016 y.);

- Quality Manager Certificate. Theoretical training in the program "Maintaining and improving the quality management system in accordance with the recommendations of MS ISO 9004: 2009. Management for sustainable organizational success. Quality management approach» (Kazakhstan quality organization, 2013 y.);

- Certificate Internal Auditor of the Quality Management System

. Theoretical training in the Kazakhstan quality organization under the program "Internal audit of the quality management system in accordance with the requirements of IS ISO 9001: 2008"

(Kazakhstan quality organization, 2012 y.) ;

Academic degree and title (KKSON, VAK), scientific school:

1) Master of Technical Sciences (academic degree, No. 0068873 dated 09.07.2015) in the specialty "Metrology" (L.N. Gumilyov ENU, RK).

Dissertation topic « Study of metrological support of water treatment facilities in order to improve the quality of control». Rotected at the ENU named after L.N. Gumilyov in 2015, scientific supervisor - candidate of technical sciences, associate professor Userbaev M.T. (Kazakhstan).

2) Research internship - Czech Republic, Prague, Central Bohemian University (2014).

Internship topic "Advanced Course in Metrology and Engineering Quality"

Research interests: Quality management system; standardization and certification of technological processes and production; unified measurement system; economical use of all types of resources; analysis and management; ensuring the competitiveness of products and services; products and service; safety rules for the life and health of the consumer; metrological support
